V.V.PUTIN. Russia muscles up – the challenges we must rise to face..... 14 Prime Minister Vladimir Putin’s article for the newspaper Izvestia on January, 16, 2012. Vladimir Putin: “I see our goal in years to come as sweeping away all that stands in the way of our national development, completing the establishment in Russia of a political system, a structure of social guarantees and safeguards for the public, and an economic model that together form a single, living, ever-changing organism of state that is, at the same time, resilient, stable and healthy.”
